

Getting There

News from Intercity Transit

Bus to School!

Getting to school is the easy part! Students enrolled at **The Evergreen State College, South Puget Sound Community College, and Saint Martin's University** can ride any local Intercity Transit route without paying

at the farebox. They simply show the driver their student ID with a current term sticker when boarding the bus. It's easy! Fares are paid out of student activities fees.

Have younger students? No problem! Intercity Transit provides safe, reliable transportation to **43 schools** throughout Olympia, Lacey, Tumwater, and Yelm. It's an affordable way to get students to school, sports practices, after-school jobs, and more. A single trip costs \$1, round trip \$2, and a youth monthly pass - just \$15. A great deal!

Not sure how to get started? We provide **free, one-on-one travel training** for new riders. Our travel trainer can ride with your student and teach them the "ins and outs" of our service until they feel confident making the trip alone.

For a list of the schools we serve, contact Customer Service or visit our Web site. For information on **travel training**, call **360-705-5879** or e-mail **traveltraining@intercitytransit.com**.

Where's My Bus?

We have an app for that! Riding transit just got even better. You can now get **real-time bus arrival information** for your stop from the Web, your phone, mobile device, or by text message. This allows you to find out, from just about anywhere, exactly when your bus will arrive!

Visit our Web site and click on the green **OneBusAway** icon in the upper right-hand corner. The link takes you to all the tools and instructions on using the program at OneBusAway.org.

Community Celebration

Friday, October 7

11:30 am-1:30 pm & 5:00-9:00 pm

As we near the end of our 30th year of service to our community - let's celebrate!

Stop by the Olympia Transit Center (222 State Avenue) in downtown Olympia and get information on sustainable travel options, pick up our updated, pocket-size system map, and get your "Undriver License." We will have staff available to show you how to use our online trip planner and help you get set-up on OneBusAway, real-time bus arrival app (see above). And, in conjunction with Fall Arts Walk activities, we will have art projects created by local students on display.

Thanks to ongoing community support, we will continue to respond to the transportation needs of our community!

9/25 & 9/28, 2011
