OTHER JOB FUNCTIONS:

10. Steam cleans engines, transmission and other components.
11. Cleans vehicles as necessary.
12. Mounts, brands, sipes, and repairs and installs tires and wheels as necessary.
13. Performs other related duties as assigned.

WORKING CONDITIONS:

Duties are primarily performed in a vehicle service and storage area where the employee may work in close quarters and be exposed to hazards related to noise and chemicals. Work is performed in a covered and outdoor area in inclement weather conditions. Duties require the physical movements necessary to inspect, service, and repair vehicles, including bending, kneeling, and crouching, and lifting in excess of 50 pounds. Duties may require the operation of System vehicles for bus changes and to assist in towing responsibilities, and may require night, weekend, and holiday work hours.

KNOWLEDGE, ABILITIES AND SKILLS:

Knowledge of the parts, tools and equipment used in servicing diesel and automotive equipment.

Skill in operating hand tools required to complete work assignments.

Knowledge of hazards and safety precautions followed in equipment repair shops.

Ability to understand and implement oral and written instructions.

Basic knowledge of system routes.

Physical ability to lift in excess of 50 pounds.

Ability to communicate effectively with staff.

Physical ability to perform the essential functions of the job.
