## 2018 School Bike Challenge and Bike to School Day:

### School Bike Challenge:

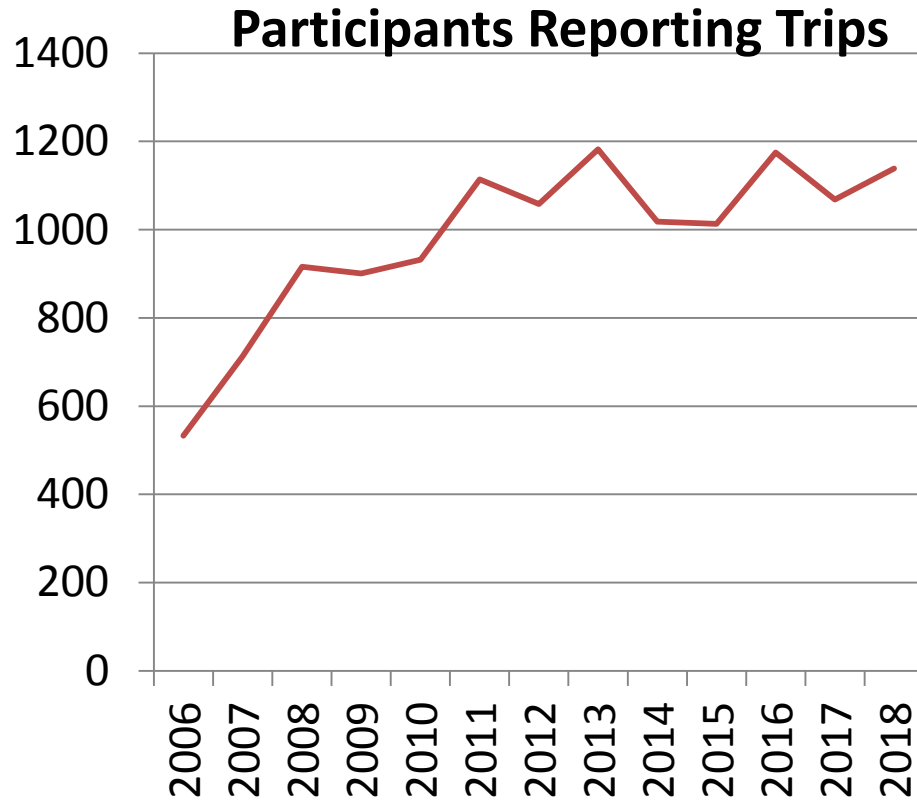

- 7 Schools participated
- 166 Students rode
- 1,410 Days ridden
- 3,776 miles ridden

494 Kids biked to school on Bike to School Day

# Participation over past 12 years:

- I participate every year. Great way to get motivated for biking and learn new ways to get around! ~Danielle K.
- It's fun. It gets you on your bike. And you get coupons! ~Lee M.
- When I started I couldn't ride up hills, didn't own a bike, was overweight and paid \$25 per month to park my car at work. In the first year I lost 30 pounds, gave up the parking sticker and can ride up San Francisco Ave fully loaded. Thanks BCC! ~Steve B.
