In compliance with the Americans with Disabilities Act of 1990 (ADA), Intercity Transit (IT) provides “Dial-A-Lift” services to anyone with a disability who cannot access the fixed route bus system. This service is intended only for those trips preventing a person with a disability from riding the fixed route bus system.

The following application is designed to assist IT staff in determining the most appropriate form of transportation for riders. This determination is based on a rider’s ability and/or inability to access fixed route buses.

All of our fixed route buses are equipped with accessible features, allowing riders the freedom of travel without limitation throughout IT’s service area.

Instructions

Be sure to review eligibility information on our website prior to completing the application.

The applicant (or someone assisting them) must complete PART 1-6. **The APPLICANT’S CERTIFICATION, Part 2 must be signed by the applicant (or guardian) prior to this application being processed.**

ALL applicants are required to have their health care provider complete the Dial-a-Lift Professional Certification Form (Part 7).

Part 2: Applicant's Certification

Please indicate below the reasons why you are seeking ADA Eligibility (check all that apply):

I can use fixed-route buses to go some places, but in other places I cannot get to or from the bus stops.

Because of my disability, I can never use the Intercity Transit fixed route buses.

I understand the purpose of this application is to determine if there are times when I cannot use the Intercity Transit fixed-route buses and must use Dial-A-Lift instead. I understand the information about my disability contained in this application will be kept confidential and shared only with the professionals involved in evaluating my eligibility. I certify, to the best of my knowledge, the information in this application form is true and correct. I understand providing false or misleading information could result in my eligibility being re-evaluated and/or terminated.
