

AGENDA

Intercity Transit Planning Session

August 18, 2017

8:30 a.m. – 4:00 p.m.

Intercity Transit Board Room

Attendees: Intercity Transit Authority members and staff

Facilitators: Jason Robertson and Thomas Wittmann

Breakfast is provided by Intercity Transit.

Please arrive at least 30 minutes before the meeting begins to socialize, eat, and get settled in.

8:30 – 9:00 a.m.	Introductions Goal: Learn about/discuss system performance, trade-offs and priorities; set stage for policy making at a later date; identify additional information needed. Ice Breaker: What would YOU like to say about Intercity Transit ten years from now (top priority)? Summarize Three Policy Questions: These issues were selected because they were identified as potential deficiencies in system performance and rose to the top of the topics mentioned via public input. We'll come back to these questions after we learn more about transit service in general. Then we'll summarize what the community has shared thus far and have you reflect on these issues as a policy maker and how we move forward. <ol style="list-style-type: none">1. Do you want to maintain a policy based system or move toward a performance based system?2. What is your level of support for continuing to provide commuter services outside of our PTBA?3. Is increasing service speed worth the trade-offs?	Jason Robertson
