

# **2019 Annual Report & 2020 – 2025 Transit Development Plan (TDP)**

Staff recommendation for adoption

Mike Burnham  
Assoc. Planner

Presented to the IT Authority on Oct. 7, 2020

# What is the Transit Development Plan (TDP)?

- Required annually by State
- Description of how IT will achieve State goals for public transit service
- Summary of prior year activities (2019)
- Forecast of changes to service, facilities, and equipment (2020-2025)

Our long-range model of service and resources is the primary source; a “snapshot” look ahead, subject to refinement

# Timeline

- **August 19<sup>th</sup>** – Presentation to the ITA, which authorized public hearing
