

# **2020 Annual Report & 2021 – 2026 Transit Development Plan (TDP)**

Staff recommendation for adoption

Mike Burnham  
Assoc. Planner

Presented to the IT Authority on July 21, 2021

# What is the Transit Development Plan (TDP)?

- Required annually by State
- Describes how IT will achieve State goals for public transit service
- Summarizes prior year of activities (2020)
- Forecasts changes to service, facilities, and equipment (2021-2026)
  - IT's long-range model of service and resources is the primary source — a “snapshot” look ahead that's subject to refinement.
