Express Weekday Schedules

Effective July 3, 2017

Service for north and south bound Express routes to be implemented on July 3, 2017. The schedules have been a part of a public review process, from early March through mid-May, that reviewed and approved the elimination of demonstration Routes ST 592x and IT 609 and the addition of 13 trips to Route 612. Based on comments from riders during the review, a number of the new Route 612 trips have been adjusted to improve commute schedules.
