## September 23, 2018 Service Changes

The Intercity Transit Authority Board approved a service change package on July 18, 2018 that will take effect on Sunday, September 23, 2018. The changes affect nearly half of local bus routes and Express commuter routes. These changes intend to improve the reliability of Intercity Transit bus service. Maintaining a well-functioning and reliable transit system is important to Intercity Transit's customers.

Detailed information about changes to routes, schedules and bus stops will be available Friday, Aug. 31 at [intercitytransit.com/servicechanges](http://intercitytransit.com/servicechanges). Customer Service staff are available at the Olympia Transit Center, weekdays from 6:30 a.m. – 7 p.m. and weekends from 9 a.m. – 7 p.m., to answer questions about the expected changes as well as assist with trip planning. Contact Customer Service staff at [customerservice@intercitytransit.com](mailto:customerservice@intercitytransit.com) or 360-786-1881.

We will continue to refine bus routes and schedules in future service changes.
